

Elentra User Guide: **Elentra Navigation – For Assessors**

Objectives

- a. Assessors will be able to navigate their homepage
- b. Assessors will be able to view outstanding tasks and completed tasks

-
- Go to the **Elentra** website: <https://meded.utoronto.ca/>
 - To log in to **Elentra**, enter your UTORid & password and click “log in”. You will be directed to your home page

Note: If you do not know your UTORid, please contact your Business Officer to request this information. If you have forgotten your UTORid password, please provide your Business Officer with an alternative non-UofT email or a phone number that is able to receive texts (SMS) in order for your password to be reset

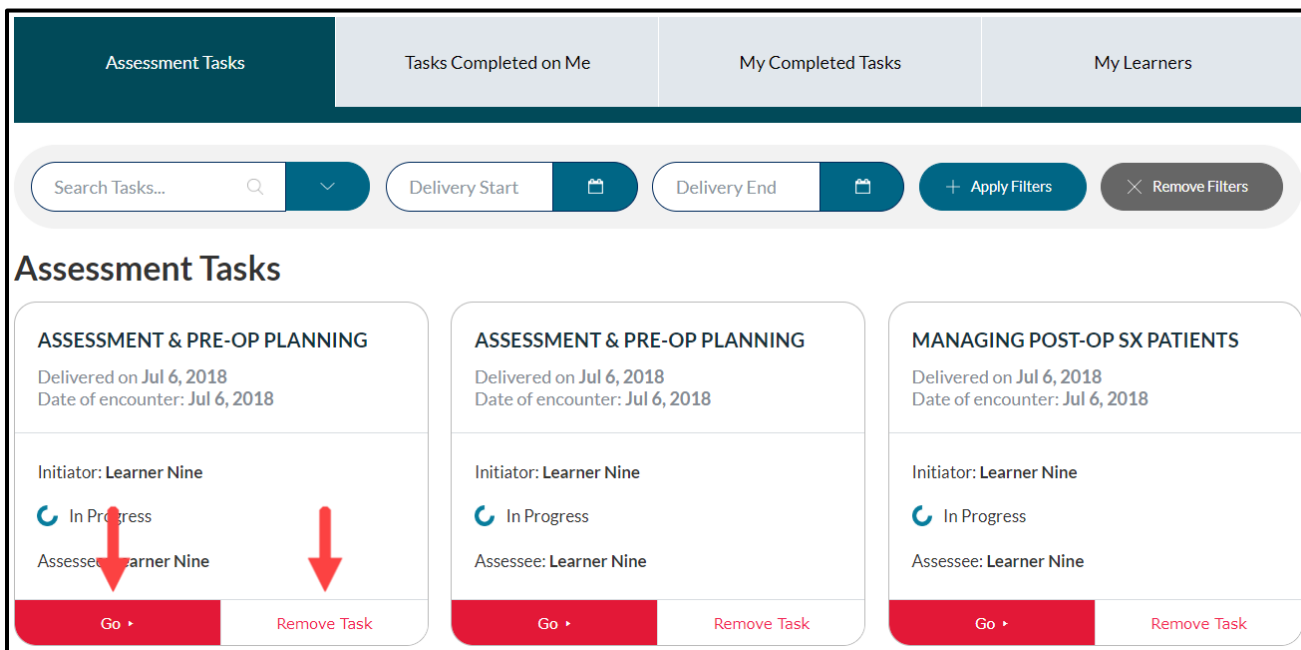

- The *Tasks and Results Dashboard* is your main homepage. Here you will be able to view the following tabs, which indicate outstanding or completed tasks
 - The “Assessment Tasks” tab indicates all assessments that you are required to complete, as the assessor
 - The “My Completed Tasks” tab indicates all assessments that you have already completed and submitted, as the assessor
 - The “Tasks Completed on Me” tab indicates any assessments completed on you, as the Assessee

Note: You will not need to refer to the “My Learners” tab, as it does not apply to Assessors

- Under the “Assessment Tasks” tab, you have the following options to manage assessments that have been sent to you for completion:
 - Complete the assessment form by selecting “Go”
 - Remove the assessment form (IF appropriate) by selecting “Remove Task”. A pop-up will appear prompting you to select an appropriate “Reason to Remove Task”

- Under the “My Completed Tasks” tab, you will be able to view all assessments that you have completed on learners
- To Download and Print multiple completed assessments, select the applicable assessments and then select “Download PDF(s)”
